

2026-2027 Winter Pricing Program

Pre-Buy Program

\$1.889 Per Gallon Leased Tank / \$1.789 Per Gallon Customer Owned Tank

This program lets you lock in your fuel price, protects you from price increases, and ensures you get a refund for any unused gallons after March 31st.

- No enrollment fee.
- One up-front payment for the gallons you choose to pre-purchase.
- Eligibility: To qualify, you must have used at least 500 gallons during the previous heating season and agree to pre-purchase a minimum of 500 gallons for the current season.
- Price cap protection: If you use up your pre-bought gallons before March 31st, you are protected by the price cap rate until the end of the season.
- Refund policy: Pre-bought gallons are non-refundable during the contract season. Any gallons remaining after March 31st will be refunded at your original purchase rate.
- Duration: from time of enrollment through March 31st, 2027.
- To enroll in this option please fill out the form below, sign, and return to your Tri-Gas Branch by November 6th, 2026, with payment, via mail or email to trigas@trigasco.com.

Tri-Gas will have no liability to fixed price customers or prepaid customers or any other person for delays in performance or change to the guaranteed fixed price due to strike, or labor disputes of any types; accident, fire, floods, acts of God; closure or damage to Enbridge Line 5, or actions by governmental authorities; acts, omissions, or delays of customer or any other third parties; shortages of labor; or without limitation of the above, for any causes reasonably beyond the control of Tri-Gas Company. WINTER PROPANE DELIVERY ALERT: Tri-Gas will not send a propane truck up an un-plowed driveway or un-sanded incline even if you have pre-bought and are on keep full. If our delivery person is unable to navigate your driveway, we will not be able to fill your tank, which could result in a special delivery fee. If you will be away for the winter, please consider having your driveway & tank checked regularly.
